Dear Colleagues,

With the current state of national COVID-19 pandemic and an undetermined timeline for when physical distancing restrictions are lifted, the Council on Accreditation of Peer Recovery Support Services will postpone all on-site site visits.

At this time, we do not have an anticipated restart date. All postponed site visits will occur once we resume operations. If any organizations go past their reaccreditation due date, accreditation will be extended without disruption to their accreditation status.

We know this is a very difficult time for all peer recovery support service providers. We are here to provide support and guidance.

Thank you for the work you do every day to support safe and quality recovery support for all.

Best,

Patty McCarthy
